5 hearts (120) ^

- 5 hearts I love these cute whale monsters!

By Veronica Lodge on May 6, 2017

This is a great gift idea for anyone. The air plant will brighten his/her day. I want one for myself and create a plant collection with these pieces - thank you!

Whales are handmade from polymer clay and are waterproof. Because they are handmade, each whale may vary slightly in shape and features. Plants will also vary in size and shape. Domestic shipping within the US only.

We are not responsible for the air plant once it is in your care. I guarantee that they are happy, healthy plants but will not be held responsible if the plant dies. I will offer a replacement plant in the event that your plant dies within the first 2 weeks of receiving it.
